sue@horse-angels.org

Welcome to 2011! We are thankful and blessed to take part in changing the lives of abused and neglected horses, and providing them with a chance at finding a loving and caring human partner or family! Thank-you for your part in making that happen! In this edition of The Mane Attraction, you will meet Randy, our featured horse, and will read about a volunteer that is special to Horse-Angels. Also, take a moment to read about our generous sponsors that have helped in a big way! Please forward The Mane Attraction to your friends— together we are making wonderful things happen!

Dr. Sue

Feeling Down?

Saddle up!

Save The Date!!

FREE on March 12th (Saturday), a clinic at Horse Angels on teaching your horse reining maneuvers. It is at Horse-Angels and will feature trainer and reiner Martin Schwartz. Refer the readers to www.horse-angels.org for more details and directions.

Wanted: YOU!

Consider joining us as a volunteer at Horse-Angels the 2nd and 4th Sunday of each month. Nothing like an afternoon at the barn to help clear your mind!

Featuring Randy!

Randy is a 7 yr old gelding that has had professional training. He is 14.1 Hands, and is half Arab and half Quarter Horse. He can trail ride all day and never tires. He is not spooky and truly enjoys new sights and trails. He is not slow and lazy and loves the opportunity to pick up the pace, yet will not go unless asked. He is very light in the bit and very responsive to leg cues, so he needs an intermediate or advanced rider. Very sweet boy!!! Randy's adoption fee is \$600.

Thanks, Miranda—You Are Appreciated

Meet Miranda shown here with Buster. Miranda comes regularly to groom horses and help exercise them. Buster is one of Miranda's favorites, and the feeling is mutual! Miranda also likes to groom and exercise the miniature horse, Lily, and is helping gentle a fearful black Arabian mare named Ollie. Many thanks to Miranda from Horse-Angels and the horses she helps!

Our Mission Statement:

We are a non-profit equine rescue and rehabilitation center focused on the mental and physical healing of horses in need, with the ultimate goal of finding each horse a safe and loving lifetime home. Our refuge takes on starved, abused, handicapped, and poorly-behaved horses, and gives them a second chance at life. While some become functional, others require special ongoing care and will remain with us here at Horse-Angels as greeters and horse ambassadors.

Thank You!

Through your contributions you partner with us to turn the mission statement into an action plan. We SO appreciate the individuals, corporations and foundations that provide support to keep us moving forward. We are speaking for those who can't speak for themselves when we say "Thank you!" Your generous donations and grants make a difference, and we are grateful!

*thank you to the *Tony Stewart Foundation* for \$5,000 to help Horse-Angels expand housing. We still are in need of more matching funds to meet our budget for this particular project.

*thank you to the *Quarter Horse Racing Association of Indiana* for their monthly financial support!

*thank you to the *PetSmart Foundation* that assisted with the medical needs of 29 horses that all arrived in November 2010! What an undertaking! We could never have done it without help! Many of them are in new, happy homes already!

* thank you to *Ilze Akerbergs* for creating a video that includes Horse-Angels Rescue, its horses, and facility! See video: <http://www.youtube.com/watch?v=7sNGn0djH7o>

HORSE-ANGELS DONATION

YOU CAN CURRENTLY DONATE IN THESE FOUR WAYS

- *Pay Pal by visiting our website at www.Horse-Angels.org and selecting the donate button on the left.
